Section 1: Order Cancellations

1. **Order Cancellation Window:** Customers may cancel their order for a full refund without penalty if the cancellation request is submitted within 2 hours of the original order placement time.
2. **Post-Shipment Cancellations:** If an order is canceled after the 2-hour window and the package has already been handed over to the carrier, it cannot be canceled. The customer must wait for delivery and initiate a standard return.
3. **Refused Deliveries:** If a customer refuses a package at the time of delivery to avoid return shipping, the refund will be subject to a 15% restocking fee, which will be deducted from the final refund amount.

Section 2: Return Eligibility

4. **Standard Return Window:** Customers have exactly 30 calendar days from the confirmed date of delivery to initiate a return. Returns requested on day 31 or later will be automatically rejected.
5. **Condition Requirements:** To be eligible for a return, the item must be unused, unwashed, unaltered, and in its original packaging with all retail tags attached.
6. **Non-Returnable Items (Final Sale):** The following items are strictly non-refundable and cannot be returned: gift cards, personalized or custom-made apparel, intimate wear, and items explicitly marked as "Final Sale" at the time of purchase.
7. **Defective or Damaged Items:** If an item arrives damaged or defective, the customer must report it to customer support with photographic evidence within 48 hours of delivery to qualify for a free replacement.

Section 3: The Return Process

8. **Return Authorization (RMA):** All returns must be initiated through our online returns portal to receive a Return Merchandise Authorization (RMA) number. Items mailed back without a valid RMA number will not be processed or refunded.
9. **Return Shipping Costs (Buyer's Remorse):** For returns based on sizing issues, changed minds, or buyer's remorse, the customer is responsible for the cost of return shipping. A flat fee of $7.00 will be deducted from the refund if the customer uses our provided prepaid label.
10. **Return Shipping Costs (Company Error):** If the return is due to a company error (e.g., wrong item shipped, defective product), the company will cover 100% of the return shipping costs.

Section 4: Refunds & Exchanges

11. **Refund Processing Time:** Once the returned item is received and inspected at our warehouse, refunds will be processed within 5 to 7 business days.
12. **Refund Methods:** Approved returns will be refunded to the original payment method. Alternatively, customers can opt for store credit and receive a 10% bonus value on their return.
13. **Missing or Late Refunds:** If a refund has not appeared on a bank statement after 7 business days from our confirmation email, the customer must first contact their credit card company or bank, as processing times vary.

14. **Exchange Policy:** We offer free exchanges for the exact same item in a different size or color, subject to inventory availability. Customers cannot exchange for a completely different product.
15. **Price Adjustments:** If an item drops in price within 7 days of the customer's original purchase date, we will honor a one-time price adjustment in the form of store credit for the difference.

Section 5: Shipping & Delivery

16. **Order Fulfillment Time:** All standard orders are processed and dispatched from our warehouse within 1 to 2 business days. Orders placed after 2:00 PM EST or on weekends will begin processing on the next business day.
17. **Free Shipping Threshold:** We offer free standard shipping on all domestic orders with a cart subtotal of $75.00 or more. This threshold must be met after any promotional discounts are applied and before taxes are calculated.
18. **Lost Packages (Marked Delivered):** If a tracking number indicates a package was "Delivered" but the customer cannot locate it, the customer must report it to support within 5 calendar days of the marked delivery date. The company is not responsible for packages stolen from a property after a confirmed carrier delivery.
19. **Incorrect Shipping Addresses:** Customers are strictly responsible for providing a secure and accurate shipping address. If a package is returned to our warehouse due to an invalid or incomplete address, the customer will be charged a $10.00 reshipment fee to send it out a second time.
20. **International Duties and Taxes:** For all international orders, customs duties, import taxes, and local brokerage fees are the sole responsibility of the customer. These fees are collected by the local carrier at the time of delivery, not during online checkout.

Section 6: Payments & Promotions

21. **Accepted Payment Methods:** We accept major credit cards (Visa, MasterCard, American Express), PayPal, and Apple Pay. The customer's payment method is charged in full at the exact time the order is placed, prior to shipment.
22. **Promotion Code Limitations:** Customers may apply a maximum of one (1) promotional discount code per order. Promo codes cannot be stacked, combined with automatic site-wide sales, or retroactively applied to previously placed orders.
23. **Gift Card Terms:** Store-issued digital and physical gift cards do not expire. Gift cards are strictly non-refundable and cannot be redeemed for cash unless legally required by the customer's local jurisdiction.
24. **Fraud Prevention Holds:** Our payment gateway automatically flags transactions with mismatched billing and shipping data. Orders flagged for high fraud risk will be placed on a 48-hour security hold. If the customer does not verify their identity via email within this window, the order is automatically canceled.

Section 7: Warranties & Defects

25. **Standard Limited Warranty:** All hardware and electronic items are covered by a 6-month limited warranty starting from the confirmed date of delivery. Apparel, textiles, and accessories include a 30-day warranty.
26. **Warranty Exclusions:** Warranties strictly cover manufacturing defects and hardware failures. Coverage does not apply to damage caused by normal wear and tear, accidental drops, water exposure, improper laundering, or unauthorized repairs.
27. **Filing a Warranty Claim:** To file a valid warranty claim, the customer must submit an email containing the original order number, a detailed text description of the defect, and at least two clear photographs demonstrating the issue.
28. **Warranty Resolutions:** Upon approval of a warranty claim, the company reserves the right to resolve the issue by either repairing the original item, shipping a direct replacement, or issuing store credit equal to the original purchase price.

Section 8: Account Terms & Security

29. **Account Registration:** Customers must provide a valid email address and legal name to create an account. Guest checkout is permitted, but guest orders cannot be retroactively linked to a registered account for loyalty points or order history tracking.
30. **Account Security:** The customer is entirely responsible for maintaining the confidentiality of their account password. The company will never ask for a password via email, phone, or chat support.
31. **Account Suspension:** The company reserves the right to suspend or permanently ban user accounts exhibiting fraudulent behavior, initiating unauthorized chargebacks, or abusing the 30-day return policy (e.g., returning more than 5 items in a 6-month period).
32. **Minimum Age Requirement:** Users must be at least 18 years of age to make a purchase. Users under 18 must have explicit consent and supervision from a parent or legal guardian to use the platform.

Section 9: Data Privacy & Compliance

33. **Data Collection Scope:** We collect essential data required to process transactions and fulfill orders, including shipping addresses, billing addresses, email addresses, and phone numbers. Payment details are tokenized and processed by a third-party gateway; we do not store raw credit card numbers on our servers.
34. **Data Sharing:** Customer data is shared exclusively with necessary third-party fulfillment partners (e.g., shipping carriers, payment gateways). We strictly do not sell customer data to external marketing agencies or data brokers.
35. **Marketing Communications:** Customers are enrolled in promotional emails only upon explicit opt-in at checkout. Opt-out requests via the "Unsubscribe" link take up to 48 hours to process across all internal marketing systems.
36. **Right to Deletion (GDPR/CCPA):** Customers have the right to request the complete deletion of their personal data. Deletion requests must be submitted in writing to the privacy compliance email and will be fully executed within 30 calendar days, retaining only anonymized data required for legal tax compliance.

37. **Cookie Policy:** Our storefront uses essential cookies for cart functionality and session management. Non-essential tracking cookies for analytics require active user consent upon first visiting the site.
